P. PALPU, for *President*.

137

MYSORE CITY MUNICIPALITY.

BYE-LAWS FRAMED UNDER THE PROVISIONS OF SECTION 225 OF THE MUNICIPAL REGULATION FOR THE CITY OF MYSORE.

Conduct of business.

1. The ordinary monthly meetings will ordinarily be held on the last Saturday of every month at such time and place as the President may, by previous notice, decide from time to time.

2. Propositions should ordinarily be sent by the Commissioners on or before the 15th of each month.

(*a*) If any Commissioner sends a proposition after the publication of the propositions, he shall do so at least four days before the meeting.

(*b*) If any proposition sent by any Commissioner be, in the opinion of the President, not fit to be brought before the Board, he shall communicate his reasons to the proposer, but if the latter insists upon such proposition being brought forward before the Board, and he is supported by any other Commissioners, the President shall do so.

3. All matters to be discussed at a meeting shall be previously published in the *Mysore Gazette* and also brought to the notice of the members by a printed circular in English and Kanarese issued at least seven days before the meeting.

4. If at the hour fixed for a meeting no quorum be present, the President shall allow 15 minutes to elapse before he adjourns the meeting.

5. At the meetings of the Board any Commissioner present may submit a point of order to the President.

6. In proposing or discussing any question, each Commissioner shall speak from his place, always addressing the President.

7. No member, without the President's permission, can speak twice upon any motion or amendment except the mover in reply.

8. If the President or any Commissioner demands a poll, votes shall ordinarily be taken by show of hands, unless in any special case any Commissioner demand votes by ballot.

9. Every proposal shall be in writing, but, unless required by the President, the proposal need not be seconded. Amendments need not be in writing.

10. All questions from one Commissioner to another, relating to the business of the meeting, shall be put through the President.

11. The meetings of the Municipal Commissioners are, as a rule, open to the public; but strangers may be requested by the Board to withdraw if necessary.

12. The Vice-President shall exercise the functions and powers of the President under these Bye-laws, unless the President in writing reserves any of the powers mentioned therein to himself.

13. The Municipal Engineer will prepare and submit through the President all surveys, plans and estimates required by the Commissioners and will be guided by the rules to be framed hereafter.

14. The monthly account current, the progress report of the Public Works Department, Mohatarfa accounts and statements, the mortuary return and returns of patients treated in several Municipal Dispensaries will be circulated before their being adopted at the meeting.

Disposal of buildings, vacant sites, conservancy of buildings, &c.

15. Any person desirous of purchasing or of renting any ground belonging to the Municipality, either under cultivation or otherwise, for building or other purposes, shall submit a written application to the President or Vice-President, describing the locality, the extent and the purpose for which it is required.

16. The President may reject any application for any ground for rent or for sale, assigning reasons for so doing; or may impose conditions that buildings, out-buildings, frontages and surrounding walls and enclosures shall be of a certain character or value, and that they shall be constructed within such time as may be fixed at the time of sale or lease, subject, in case of failure to resumption of the ground and forfeiture of the value of land with the previous consent of the Board.

(*a*) A statement of such leases and sales shall be laid before the Board at the Municipal monthly meetings.

17. All lands shall be sold by public auction but whenever a private sale is made or whenever objection is raised to the procedure, it shall be done with the approval of the Board.

(*a*) Sales within 20 rupees and leases within one year if vetoed by the Board within 40 days, shall be null and void.

18 Owners and occupiers of places used for melting tallow, boiling oil-seeds, and for boiling offal or blood, or using such places as soap houses, dyeing houses, tanneries, brick or lime-kilns or potteries, sago or sugar manufactories, or other manufactories or places of business from which offensive or unwholesome smells arise, such as livery or other stables, cow houses or pig sties, etc., shall remove or cause to be removed once at least in every 24 hours, all filth, dirt or refuse which shall be in or about any such place. Persons failing to carry out the requirements of this Bye-law shall, on conviction before a Magistrate, be liable to a fine not exceeding Rs. 20 for each offence.

19. No pandals or other temporary structures for marriage or other purposes shall be erected in any street, lane, or public thoroughfare, without written permission from the President. On receipt of application for permission to put up such structure, specifying the situation, size and other particulars, licenses will be issued by the President if he sees no objection thereto, on such conditions as he may think necessary to provide for the public convenience and safety, on payment of the following fees :—

For a pandal 5 feet square or not exceeding 25 square feet ... None.
Do do exceeding 25 square feet and not exceeding 50 square feet ... 8 annas.
For every additional 50 square feet or portion thereof ... ... 4 do

(a) No pandal shall ordinarily be allowed to stand for more than 15 days. An extension of time may be granted on payment of half the original fee but not so as to exceed a month from the commencement.

(b) If, on the expiration of the time allowed in the license, or period granted in extension thereto on special application, the person that puts up the structure does not remove it, the President will issue a notice to the defaulter for its removal within such time as may be fixed by him in each case; at the end of which time, he may have it removed, and the cost of such removal shall be recoverable from the defaulter as a Municipal demand.

(c) Any breach of this Bye-law will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for the subsequent offences.

(d) This Bye-law does not apply to pandals for Dasara, Moharam, or other public purposes.

Carriage and Cart Regulation.

20. All owners or persons in charge of hackney carriages of all descriptions, and of carts drawn by bullock or bullocks, or jatkas, plying for hire, shall register their names at the Municipal Office and take out licenses, half-yearly, on payment of the registration fee, and paint the Municipal Register number in a conspicuous part of their vehicles. Failing to do so within one month from the publication of this Bye-law by beat of tom-tom, the owners or others in charge shall, on conviction, be liable to a fine not exceeding Rs. 5 for the first offence and Rs. 10 for the subsequent offences.

21. All carts and conveyances shall be driven to the left side of the road to enable carriages to meet and pass on the right side. Drivers infringing this Bye-law shall, on conviction, be liable to a fine not exceeding Rs. 2 for the first offence and Rs 5 for each of the subsequent offences.

22. Whoever drives any vehicle of any description other than a cart or vehicle referred to in Section 24, at any time between three-quarters of an hour after sunset and one hour before sunrise except in moonlight, without having a lighted lamp affixed to each side of such vehicle, shall be liable to a fine not exceeding Rs. 5 for the first and Rs. 10 for the subsequent offences.

23. Whoever drives a cart or vehicle of any description between the hours of 7 P.M., and A.M., without having a lighted lantern or lamp affixed to such vehicle or with one lighted lantern or lamp to be hung from the centre of the cart, shall be liable to a penalty not exceeding Rs. 5 for each offence.

24. Any cart or carts entering the Municipal limits with passengers or laden with commodities of any description or character, for sale or otherwise, are not allowed to stand without causing obstruction to general traffic in the crowded thoroughfares and streets of the Municipality beyond the time ordinarily required for unloading or otherwise, that is, for more than 5 hours, after which, the cart or carts must either proceed to their destination or to one of the public or private bandy stands.

(a) The owners or other persons in charge of such cart or carts as shall be found standing in the public roads or thoroughfares contrary to this Bye-law, shall, on conviction, be liable to a penalty not exceeding Rs. 5 for the first and Rs. 10 for every subsequent offence.

25. All carts loaded with fuel, cholum stalks, or straw and brought for sale within Municipal limits shall, except for loading and unloading, not be allowed to stop on the public roads or streets other than in places set apart by the Municipality for the purpose. Breach of this Bye-law will subject the cart-driver to a penalty, before a Magistrate, not exceeding 4 annas for each offence.

Removal of Stones, Sand, etc., belonging to the Municipality.

26. Six pies per bandy-load of stones, gravel, or sand taken from any Municipal land shall be levied as value thereof and credited to Municipal Funds.

27. Whoever not being an officer of Government in the discharge of his duty, or not being provided with a license from the President on payment of a fee of 8 annas per year, removes stones, earth, sand or other material from any land, embankments, water-courses, not being private property, shall on conviction, be liable to a penalty not exceeding Rs. 5 for each offence. No private persons should be allowed to remove sand, earth or stones from any Municipal lands, any such attempt being punishable by a fine not exceeding Rs. 5 for each offence.

Licenses for Certain Trades.

28. Licenses shall be obtained from the President for every official year to sell cheroots, tobacco and snuff, wholesale or retail, in the City, and the persons obtaining such licenses shall,

within 30 days from the date thereof, have a sign-board put up in a conspicuous part of their premises with the following inscriptions legibly printed thereon in English and Kanarese. A license fee of Rs. 2 for wholesale dealing and annas 8 for retails per year be charged, sale of above 20 maunds per year being considered wholesale :—

70. Whoever causes a burial or cremation of dead body to take place in any land other than the burial or cremation grounds recognized by the Board, without a license from the President, shall, on conviction, be liable to a penalty not exceeding Rs. 200 for each offence.

71. No person shall bury or cause to be buried any corpse in any burial ground within the Municipal limits, in a grave of less depth than 4½ feet from top of coffin or corpse.

(a) No person shall build or dig or cause to be built or dug a grave in any such burial ground at a less distance than 2 feet from any existing grave.

(b) No grave or vault containing a corpse shall be opened, except with the sanction in writing of the President, and except as provided for in the Criminal Procedure Code.

(c) No person, when burning or causing to be burnt any corpse or part of a corpse in any burning ground within the Municipal limits, shall permit the same or any part thereof to remain without being completely reduced to ashes, or to be removed until so reduced.

Any person infringing this Bye-law shall, on conviction, be liable to a penalty not exceeding Rs. 20 for each offence.

General.

72. Persons committing offences and nuisances under these Bye-laws may be liable to be prosecuted under the Indian Penal Code, Municipal Regulation, or other law in force in Mysore; but no person shall be punished twice for one and the same offence or nuisance.

BUILDING BYE-LAWS.

Mode of giving notice of intention to build.

1. Every person intending to erect or re-erect any building shall give notice in writing of his intention to the Vice-President.

Documents to accompany the notice.

2. (1) Every such person shall submit with such notice as aforesaid a site plan of the land drawn to scale of not less than 50 feet to one inch showing—

(a) the position of the building and apurtenant out-buildings to be erected on the land,

(b) the area to be occupied by the building and out-buildings on the land,

(c) the names (if any) or description of the adjacent roads, streets, bridges, culverts or buildings, and

(d) the number of the lot and the name or number of the block and street or road in which the land is situated.

Provided that, if the applicant satisfies the Commissioners that the building will be less than Rs. 500 in value, it shall be sufficient for the site plan to show, to the satisfaction of the Commissioners, without scale, the size of the building and its position on the land together with the position of the land with reference to the adjacent buildings or lands.

(2) (a) when the land belongs to the Government or the Municipality, every such person shall submit with such notice as aforesaid a certified copy of the document or documents authorizing him to occupy the land, and, on the requisition of the Municipal Commissioners, the original document or documents also, if the Commissioners desire to inspect it or them;

(b) such certified copies as aforesaid should be signed by the Deputy Commissioner or by the President of the Commission as the case may be.

(3) (a) Every such person shall submit with such notice as aforesaid, plans, sections, and elevations in duplicate, drawn to a scale of not les than 10 feet to one inch, showing the levels at which the foundation and the lowest floor or plinth are proposed to be laid with reference to the crown level of the adjacent roads or streets and the level of the site on which the house is to be built.

(b) The aforesaid plans and sections shall further show the position of the line or frontage of the proposed building with reference to the back line of the side drain wall, or, if there is no side drain wall, with reference to the central line of the street or road which the building faces.

Provided that if the applicant satisfies the Commissioners that the building will be less than Rs. 250 in value, it shall be sufficient to show in writing, to the satisfaction of the Commissioners, the levels at which the foundation and lowest floor are proposed to be laid.

(4) Every such person shall, when required by the Commissioners or the President, submit with such notice as aforesaid specifications of the work intended to be constructed and the materials to be used for the foundations, walls, and roofs, respectively.

3. If any person has any doubt or difficulty as to the true intent or meaning of any matter connected with these rules or the requirements thereof, he may, before giving notice in writing of his intention to erect or re-erect any building, apply to the Municipal Engineer, who shall, upon receipt of such application, give the said person such information, as in the circumstances may be necessary.

Filth to be removed from new foundations.

A person who shall construct a new building shall not construct any new foundation of such building on any site which shall have been filled up with or shall have been used as a place for depositing excrementitious matter, or carcasses of dead animals, or other filthy or offensive matter, until such matter shall have been properly removed to the satisfaction of the President or shall in his opinion have become innocuous.

Provided that this Bye-law shall not apply to any site on which public buildings, buildings of the warehouse class or domestic buildings have previously existed.

Level of Plinth.

Every person who shall erect a new domestic building shall cause the same to be built with a plinth not below such level as may be fixed by the President or under his authority the Health Officer.

Plans and other documents to be furnished in duplicate.

Every person who, under the provisions of Sections 115, 116 and 148 of Municipal Regulation, may be required to furnish to the President any plan or other document, shall furnish duplicate copies of every such plan or other document which he may be so called upon to furnish and one of such duplicate plans shall be returned to the person, signed by the President signifying his approval of the plan or otherwise.

Foundations of Walls.

Every person who shall erect a new building shall cause the footings of every wall and every post or posts of the ground floor of such building to rest on the solid ground, or upon a sufficient thickness of concrete, or upon some solid and sufficient substructure, as a foundation.

Provided that where solid rock is met with at or near the surface of the site of such building, that is, within three feet of the level of the base of the wall, the footings may be omitted, if the surface of the rock be properly cleaned and stepped or jagged to receive the first course of masonry.

Open spaces around dwelling houses.

Every person who shall erect a new dwelling house shall so construct such dwelling-house that the whole or at least one side of every room thereof intended to be inhabited shall either be an external wall abutting on the open air or abut on an interior open space having an area equal to not less than one-tenth of the aggregate floor area of all the rooms abutting thereon, and being not less in any direction than six feet across.

He shall provide between at least two of the external walls and the boundary line of the owner's premises except where either of such walls faces a street of not less than 15 feet in width, an open space extending throughout the entire length of such wall, at least two feet wide. He shall cause every interior open space required by this Bye-law to be constructed and kept free from any erection thereon and open to the sky and no cornice, roof or weather shade shall project or overhang the said open space more than 6 inches on any side thereof; provided that such connecting passages may be allowed as to the President shall seem necessary, such passages being open on one or both sides.

Height of Rooms.

He shall construct every room intended to be inhabited in such building, except a room in the roof thereof so that the same shall be in every part at least 8 feet in height from the floor to the ceiling.

He shall so construct every such room in the roof of such building that the same shall have an average height of at least 7 feet from the floor to the ceiling.

Superficial Area of Rooms.

He shall so construct every such room that the same shall have a clear superficial area of not less than 80 square feet.

Ventilation of Rooms.

He shall so construct every such room that the same shall be ventilated by means of doors or windows which open directly into the external air and have an aggregate opening equal to not less than one-tenth of the floor space or one-twelfth of the cubic space of the superficial area of that side of the room which faces an open space.

Huts, Sheds or Ranges.

Every person who shall erect huts or sheds or ranges or blocks of huts or sheds, whether the same are to be used as dwellings or stables or for any other purpose, shall, if the President so require, build the same

(1) so that they may stand in regular lines with a free passage or way in front of and between every two lines of such width as the President may direct for ventilation and for facilitating scavenging;

(2) with such and so many privies, latrines, or urinals and such means of drainage as the President may require; and

(3) at such a level as will suffice for the means of drainage required by the President.

WITH RESPECT TO THE CONSTRUCTION OF PRIVIES.

Privy Accommodation.

Every person who shall erect a new building shall, in connection with such building, construct such number of privies as shall be prescribed in each case by the President.

Site of Privies.

A person who shall construct a new privy, whether in connection with a building or not, shall construct such privy upon such site or in such position only as shall be approved by the President.

Proximity of Privies to Water-supply.

A person who shall construct a privy in connection with a building shall not without the written permission of the President, construct such privy within the distance of 20 feet from any well, spring, tank or stream of water used or likely to be used by man for drinking or domestic purposes, or for manufacturing drinks for the use of man, or otherwise in such a position as to render any such water liable to pollution.

Air space round Privies.

Every person who shall construct a privy in connection with a building shall so construct the same as to leave an external air space of not less than 3 feet in width and open to the sky surrounding such privy on every side thereof, except the entrance side, where any gallery or passage communicating with such privy shall be not less than 2 feet in width, and shall be open to the external air on both sides.

Ventilation of Privies.

Every person who shall construct a privy in connection with a building shall provide such privy with a sufficient opening or with sufficient openings for ventilation to the satisfaction of the President, and such opening or openings shall be as near to the top as practicable and shall communicate directly with the external air.

No room to be erected over a Privy.

No person shall construct over a privy, whether old or new, any room or structure of any description, except another privy or a bathing place or bath room.

AS TO THE GIVING OF CERTAIN NOTICES BY PERSONS INTENDING TO CONSTRUCT BUILDINGS.

Notice of covering up foundations.

Every person who shall erect a building within the meaning of Sections 115, 116 and 148 of Municipal Regulation, shall, before proceeding to cover up any foundation of a building, deliver or send or caused to be delivered or sent to the President at his office, notice in writing in which shall be specified the date on which such person will proceed to cover up such foundation.

Contraventions of Bye-laws to be amended.

In every case, where a person, who shall erect a building, shall at any reasonable time during the progress or after the completion of the erection of such building, receive from the President notice in writing, specifying any matters in respect of which the erection of such building may be in contravention of any Bye-law relating to new buildings and requiring such person, within a reasonable time which shall be specified in such notice, to cause anything done contrary to any such Bye-law may be required to be done, but which has been omitted to be done.

Such person shall, within the time specified in such notice, comply with the several requirements thereof, so far as such requirements relate to matters in respect of which the erection of such building may be in contravention of any such Bye-law.

Notice of completion of Amendments.

Such person, within a reasonable time after the completion of any work which may have been executed in accordance with any such requirement, shall deliver or send, or cause to be delivered or sent to the President at his office, notice in writing of the completion of such work.

Notice of completion of buildings.

Every person who shall erect a building, shall within one month after the completion of the erection of such buildings deliver or send, or caused to be delivered or sent to the President at his office, notice in writing of the completion of the erection of such building.

In the proposed new extension and in all the localities in the City where, having regard to attendant circumstances, it is possible, every new domestic building that is to be constructed, shall be in communication with the external air all round the building.

Penalties.

Every person who shall commit any breach of any of the foregoing Bye-laws, shall be punishable with fine which may extend to 20 rupees, and in the case of a continuing breach, with fine which may extend to 10 rupees for every day after conviction for the first breach or after receipt of written notice from the President to discontinue the breach, during which the breach continues.

Evidence of Exercise of Powers, duties or functions.

Whenever, under any of the foregoing Bye-laws, the doing or the omitting of doing a thing or the validity of anything depend upon the sanction, permission, approval, order, direction, requisition, notice or satisfaction of the President, a written document signed by the President or by any Municipal officer to whom the President may have delegated his powers, duties or functions in that behalf, purporting to convey, or set forth his sanction, permission, approval, order, direction, requisition, notice or satisfaction, shall be sufficient *prima facie* evidence of such sanction, permission, approval, order, direction, requisition, notice or satisfaction.

In all cases in which under these Bye-laws, dimensions are prescribed, the President shall have power, on application being made to that end, to permit of such dimensions being modified.
